**In Reply to:** FEC Letter of January 12, 1999

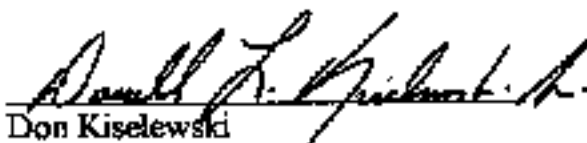

Thank you for alerting Friends of Mark Foley of the difficulties in our 30 Day Post-General report. As always, Friends of Mark Foley strives to provide the most complete and detailed report as possible. We regret that these errors occurred and appreciate your assistance in bringing the problems to our attention.

As you noted, Column B figures for line 18 & 21 of the 30 day Post-General report do not properly correspond to our previous report. Regrettably, the inconsistency of data between our Pre-General & Post-General reports stems from an amendment made to the Committee's October 15 Quarterly Report.

Thanks to your assistance, the FEC alerted our Committee that there was a mis-reporting in the October Quarterly report. An amendment was filed to the 3rd Quarter report correcting this issue. However, the subsequent report (the Pre-General report filed prior to the October Quarterly amendment) was not corrected to note the 3rd Quarter change.

An amended Pre-General report is attached to rectify the issue of inconsistency between the Committee's last two filings. Hopefully, the attached report & this memo addresses all of the FEC's concerns.

Thank you for your time and assistance. Should you have questions, please do not hesitate to contact me at (561) 684 9001.
